Dear Interagency Agreement Recipient:

The EPA Project Officer indicates the above referenced project is satisfactorily complete. However, because your costs are less than the previously approved EPA amount, an administrative amendment has been processed. Enclosed is an electronically signed PDF version of the Interagency Agreement (IA) between the U.S. EPA and your Federal Agency.

ACTION REQUIRED (TIME SENSITIVE):

1. Send confirmation of receipt of this email, *immediately*, to IASSCWEST@epa.gov.
 2. Have your Authorized Representative sign and date the IA.
 3. Once signed and dated, scan and email a PDF copy of the IA *within 30 calendar days* from the date of this email to IASSCWEST@epa.gov and CFC Fed Pay@epa.gov.
 4. If additional time is needed, please contact Wendy Wasson at (206) 553-5780 or wasson.wendy@epa.gov.
- If EPA does not receive a signed acceptance of this amendment or written notification of any discrepancies within 30 calendar days from the date of this email notification, a subsequent notification will be sent via U.S. Postal Service Certified Mail, Return Receipt date (PS Form 3811).
 - If EPA does not receive either a signed acceptance or written notification of any discrepancies within 90 calendar days from the Return Receipt date, these funds will be unilaterally de-obligated and the above referenced IA will be administratively and financially closed.

As a reminder, please keep your records related to this IA for six years (30 years if a Superfund project). If any litigation, claim, or audit is started during this timeframe, your records must be kept until the actions are complete and any issues are resolved.

Any questions should be directed to either the EPA Project Officer or the IA Specialist listed on the IA. In any communication with our offices, please reference the IA number. We are pleased to have participated with you on this project.

Sincerely,

(See attached file: DW-75-95782301-
